## **News Release**

For Immediate Release: March 16, 2016

### **Water restored to Waipouli area**

WAIPOULI – The Department of Water (DOW) restored water service to Waipouli residents and businesses at approximately 7:45 p.m., Wednesday.

DOW crews completed emergency repairs to a main line break on Kuhio Highway that prompted an emergency water shutdown to residents and businesses in the area near Waipouli Town Center.

Motorists are still advised to drive with caution and allow for extra travel time through the Waipouli area while DOW crews work on restoring the road where repairs were being made.

The DOW thanks residents, visitors and businesses for their patience and cooperation while the necessary emergency repairs were being made to the Waipouli water system.
